Tyler Avenue</b> <b>El Monte, 91731</b> <b>6 p.m. to 8 p.m.</b>

The SR-710 Tunnel Technical Study Team has recently completed the DRAFT Geotechnical Summary Report. Additional community meetings, as shown above, are scheduled to share the outcome of field exploration work conducted as part of the Study. A short presentation on information contained in the DRAFT Report will summarize the geology, faulting, seismicity, material properties, hazardous materials and groundwater conditions within the Study's five zones.

Individuals who require special accommodations (American Sign Language interpreter, accessible seating, documentation in alternate formats, etc.) are required to contact the SR-710 Tunnel Technical Study Information Office (323) 222-1710 at least five days prior to the scheduled meeting date. Telecommunication Devices for the Deaf (TDD) users may contact the California Relay Service TDD line at (800) 735-2922.

For more information, please contact the SR-710 Tunnel Technical Study Information Office at 323-222-1710, or visit our website at [www.710tunnelstudy.info](http://www.710tunnelstudy.info)
